International Software Architecture
Qualification Board

The international Software Architecture Qualification Board ([iSAQB](#)) defines curricula on several levels for software architects.

The terminology used in the iSAQB curricula can be found as a (freely available) ebook, published on [Leanpub](#).

The regulations and criteria of the Expert Level are currently maintained and published in both English (EN) and German (DE). Maintainers and volunteer reviewers collaborate on [GitHub](#) to improve those documents.

English

Document	Versions
Examination Regulations	HTML , PDF
Roadmap Template	DOCX
Field Report Template	DOCX
Criteria	HTML , PDF

German

Document	Versions
Prüfungsordnung	HTML , PDF
Vorlage für die Roadmap	DOCX
Vorlage für Erfahrungsbericht	DOCX
