

International Software Architecture  
Qualification Board

# Certified Professional for Software Architecture® (CPSA)

Expert Level

2023.1-RC1 - EN-20231117

International Software Architecture  
Qualification Board

---

The international Software Architecture Qualification Board ([iSAQB](#)) defines curricula on several levels for software architects.

The **Release Candidates** of the **Expert Level Regulations and Criteria** are currently maintained and published in both English (EN) and German (DE). Maintainers of this curriculum and voluntary reviewers collaborate on [GitHub](#) to improve the curriculum.
